# FAMILY NIGHT!

March 8, 2026

## DEAR PARENTS,

With Easter quickly approaching, how have you slowed down to reflect as a family on the death and resurrection of Jesus?

We hope you can use this resource as a family to read the Easter story in a meaningful and interactive way. We pray that your family is strengthened and that your faith grows deeper as you read scripture and walk through each part of the story together!

YOU are the best person to lead your kids to know and love the Easter story. Don't be afraid to share your story of how God has been faithful in your life and how you came to know Jesus.

Remember: It doesn't have to be perfect to be meaningful!

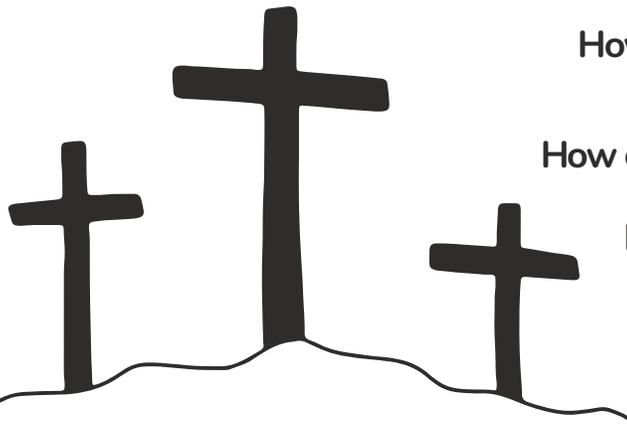

## ASK YOUR KIDS... (AND LET YOUR KIDS ASK YOU!)

How does Jesus want us to respond to His death and resurrection?

How can we know for sure that Jesus rose from the dead?

How has Jesus' resurrection impacted your life?

How does Jesus' resurrection give us hope for the future?

Feel free to share a photo of your gathered items with us. We would love to see your creative ideas!
