### Discussion Questions

**What has challenged you, changed you or confused you from this week's sermon or the book of Revelation? (Maybe the question should be: "What *didn't* confuse you from the book of Revelation?!")**

1. One of the statements made in the sermon was, "God will have a people and He will reign in their midst."
  - What are some ways you see that being played out in the Old Testament? In the New Testament?
  - What are some ways you see that being played in our world today? In Columbia City?
  - How well do you think we do (as First Church) at living as His people with Him reigning in our midst?
2. Another statement was "The Future of this planet has never looked bleaker. But the future of God's people has never looked brighter."
  - Where do you see things looking bleak for our planet?
    - How much of your answer revolves around our nation?
    - How much includes our world?
  - Where do you see things looking bright for us as Christ followers?
3. Read Matthew 13:24-30 and then discuss these points of action from the sermon.
  - Listen to the right report.
  - Expect the harvest.
  - Don't be deceived.
  - Read the book.
  - Welcome the King!!
  - Pray the Word.
  - Call on Jesus.
  - Raise up the generations.
  - Live in community.
  - Finish Well!
  - What is the Holy Spirit prompting you to change today/this week?

***Read Revelation 19:11, and then spend some time thanking God that in the end, justice will be done!***
