  - What's one thing we can do to be more engaged?
6. On a scale of 1-10, how engaged are *you* with the vision?

  - What's one thing we can do to be more engaged?
7. Do you have a vision for your life personally?
8. The strategies we are working towards organize around 6 arrows:
  - Experiencing God through worship and prayer (vertical up arrow)
  - Striving for healthy community (2 horizontal arrows pointing at each other)
  - Living beyond ourselves (2 horizontal arrows pointing away from each other)
  - Being deeply rooted in God's Word (vertical down arrow)
9. Near the end of the sermon, there were many options given for next steps; what is the Holy Spirit nudging you towards (whether on the list or not)?

***I am grateful for how God doesn't just love us and make us part of His family (which is the best!), but has also called us to be a part of what He is doing in the world! Spend some time thanking Him for some of the amazing things you see Him doing!***
