## Discussion Questions

1. What has challenged you, changed you or confused you from this week's sermon or the Scriptures in it?
2. What one word would you say best describes our culture today?
3. Read Psalm 23:3b. How do we pursue the right path of a right relationship with God?
  - Do you think of the right path as attractive, good and appealing? Or as hard, undesirable, judgmental? Other?
  - How does our culture think of/pursue the right path?
  - What image of the right path does your life display?
4. Read Luke 15:1-7.
  - How does this parable affect your image of the right path?
  - How can you take steps on that path yourself this week?
  - How can you help our church family towards that kind of path?

***May we live this season with a renewed purpose to trust our great Good Shepherd, individually, in our communities, and as a church family.***
